Don't worry, Starfire, we STILL have the RIGHT to violent Revolution. Yes VIOLENT. Read the Declaration of Independence.

When ANY government becomes oppressive of the rights of the People to life, liberty and the pursuit of happiness it is the right of the People to alter or abolish that government, and start a new one.

Alter or abolish means violent Revolution. The Founding Fathers endorsed this written idea one year two months and fifteen days AFTER the shooting started. Any idea when the shooting will start THIS time?

The jack-asses of the Washington/Wall Street Axis are so blinded by their greed they haven't even noticed the noose has been slipped over their heads.
